

SOFT TOUCH HALF SCALE DRESS FORMS..... \$120.00

The new Soft Touch Half Scale dress form was designed to be have a modern feel to it while keeping all the traditional traits that our customers love and need. The Soft Touch Half Scale is very easy to pin straight into the dress form and pins can be pushed in just about anywhere on the dress form. The body of the Soft Touch Half Scale is firm enough to keep its shape yet soft enough to have some natural give. This is great for those who are designing tight clothing. The Soft Touch Half Scale dress form can be set to any position on the length of the stand, and is covered with knit.

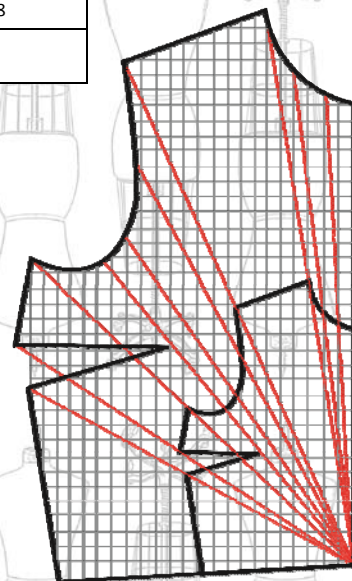

The half-scale model of the standard full sized form is ideal for designing, demonstrating, and draping. When the design is complete, the pattern can be doubled to full size as show in the illustration.
