

GOLD MODEL DRESS FORM

Base Model..... \$275.00
Industrial Model..... \$800.00

The form for the mature women.

The Dress Rite Gold form honors Dr. Ellen Glodsberry, University of Arizona, who measured 700 women over 55 to determine their correct proportions. The shape assimilates the features of 500 body casts for this age group.

Dress Rite Forms offers the Gold form in both the base and industrial model. The base model has hard paper mache body that is covered with a heavy knit cover. Accessories are optional and cost extra. Accessories available on the base form include: collapsible shoulders for easier removal of garments and casters on the base.

The Industrial Model has durable padding, all accessories, and a woven linen cover with center and princess seams sewn in.
