Avondale Adventure Introduces DRESS RITE GOLD BODY FORMS

The Form For The Mature Woman

INDUSTRIAL MODEL \$750.00 (Linen)

**SEE BACK FOR
DIMENSIONS**

PROFESSIONAL MODEL . . . \$275.00 (Knit Cover)

The Dress Rite Gold form honors Dr. Ellen Goldsberry, University of Arizona, who measured 700 women over 55 to determine their correct proportions. The shape assimilates the features of 500 body casts for this age group.

DRESS RITE FORMS offers the Gold form in both the professional and industrial model. The professional model has center and princess lines embossed on the paper mache body that can be felt under the knit cover. Accessories are optional and extra. The Industrial Model is padded with 1/4" Omalon, has all accessories, and a woven linen cover with center and princess lines sewn in. See the reverse side for specific measurements of the industrial form.

Accessories that are available on the professional model include: collapsible shoulders for easier removal of garments, another layer of knit padding under the cover, casters on the base, and a spin-lock to prevent the form from turning on the pole.

Forms have a lifetime guarantee against manufacturing defect.
